

Continuing Education – Getting Started

THINK

Step 1 – What’s your goal?

Step 2 – What kind of learning will help you achieve your goal?

Step 3 – How do you get started?

PAIR

- *Find a partner, preferably someone you do not know*
- *Introduce yourself and say why you are at this conference*
- *Tell the person about your goal, how learning can help you to attain it, and how you propose to get started.*
- *Give your partner feedback on their ideas, do you have any similar experiences you can share? Can you recommend people they should talk to?*

SHARE

Optional – share what you discussed with the group
